Dear Jon,

Congratulations!

We are pleased to announce that you have earned the prestigious W.P. Chrysler Club Award in 2016! You were one of only thirty-five Dealers to gain entry in to this exclusive group for sales and parts volume performance.

In recognition of this accomplishment, you and a guest are invited to attend a special four-day, three night event at the Ritz-Carlton in Rancho Mirage, California on May 7-10, 2017. The business meetings and a variety of activities will provide you with many opportunities to have fun with your fellow W.P. Chrysler Club members and FCA Executives. We have some exciting events planned!

On February 13th, you will be receiving an eMail from the W.P. Chrysler Club Travel Headquarters that will start the registration process for the upcoming event. You will be provided with a link to this exclusive website for you to register and make your travel arrangements.

Congratulations again on achieving W. P. Chrysler Club membership. We look forward to celebrating with you and your guest in Palm Springs!
